

## Why Wellness Plans?

Wellness Plans provide preventive veterinary services for one year, with the cost divided into 12 affordable monthly payments. You can upgrade your plan as your pet ages.

All plans include:

- Preventive care examinations and core vaccines.
- Annual diagnostic screening tests.
- Additional discounts on eligible items not included in the plan.

At North Powers Animal Hospital, we look forward to helping you provide your pet with the best possible care at every stage of life. Wellness Plans help us make that care more affordable and convenient for you.
